The April meeting consisted of discussing the plans for the flea market . Volunteers were needed for setup and plenty showed. Discussion on field day but no plans were made. ANY IDEAS? Also Marc N1BLH is looking for people for AERS. Marathon was also mentioned and was a great success with marc N1BLH net control. Then the excitement of the night came when an audio visual of USS Titanic was presented.

Remember PIZZA in MAY.

The FramingHAM Circuit is published monthly by the Framingham Amateur Radio Assn., Inc. OUR SPECIAL THANKS TO MARC NIBLH  
FOR ALL HIS HARD WORK ON THE  
FRAMINGHAM CIRCUIT

SO

WHEN YOU SEE HIM AT THE MAY  
MEETING SHOW HIM HOW MUCH  
YOU APPRECIATED  
HIS WORK

AND

Say  
CHEESE  
Pizza

In fact the night of the Flea Market  
when everything was over Marc had Pizza  
that night. Marj, Marc xyl didnt want  
any part of this cheese pizza she walked  
out of this picture.

The Spring '87 Flea Market is history and as usual a super success. The event was attended by more than 500 buyers and lasted longer than any of our flea markets in recent memory. The examination schedule went flawlessly and there were many new licensees and upgrades. A great deal of effort goes into such a major event and this can only be accomplished by skilled management and the dedicated work of volunteers. For this grand effort I would like to first thank LEW NYMAN KLAZE for once again doing an outstanding job, and making this such a success. His leadership and dedication is greatly appreciated. Coordinating and implementing an EXAM session with all the various license grades together with all the Paper work is no small task. DICK MARSHALL WAIKUG was more than equal to the task, and for that super effort we all owe him our gratitude. I know with all his school and job pressures it was all the more difficult. To all the volunteers, from the people laboriously set up the tables, to the ones guarding the doors, to talk ins and to the volunteer examiners I would like to extend my thanks for a job well done.

The beneficiary of the FLEA MARKET is our scholarship fund, and what a great way to invest our efforts.

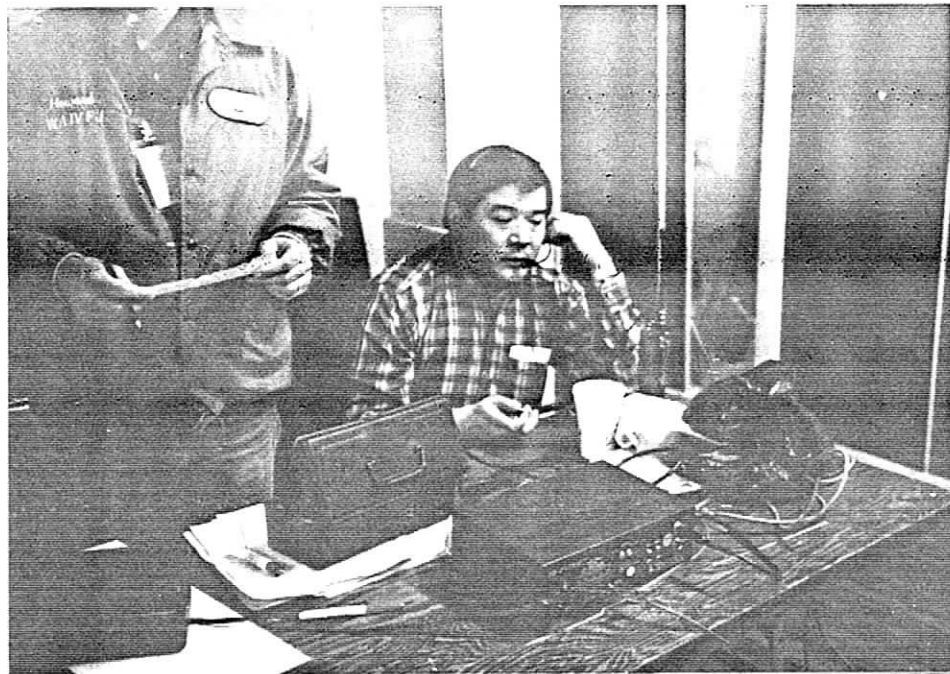

I am looking forward to seeing you all at the May meeting and enjoying your company at PIZZA NIGHT.

Congratulations to all who got their new licenses and all that upgraded.

73 BURT NIDDO

NIDDO sure got the best parking spot. Well after all he is President.

of Flea Market)

talk IN was a great help with the friendly voice of FARA W1FY. Operator here on talk in was Bob Chin WB1FHT of Framingham.

WB1GBU,ED saying to himself doesnt anyone use tubes any more?

Nick WA1VFH was pretty handy with those name plates.

#### FAPA gossip

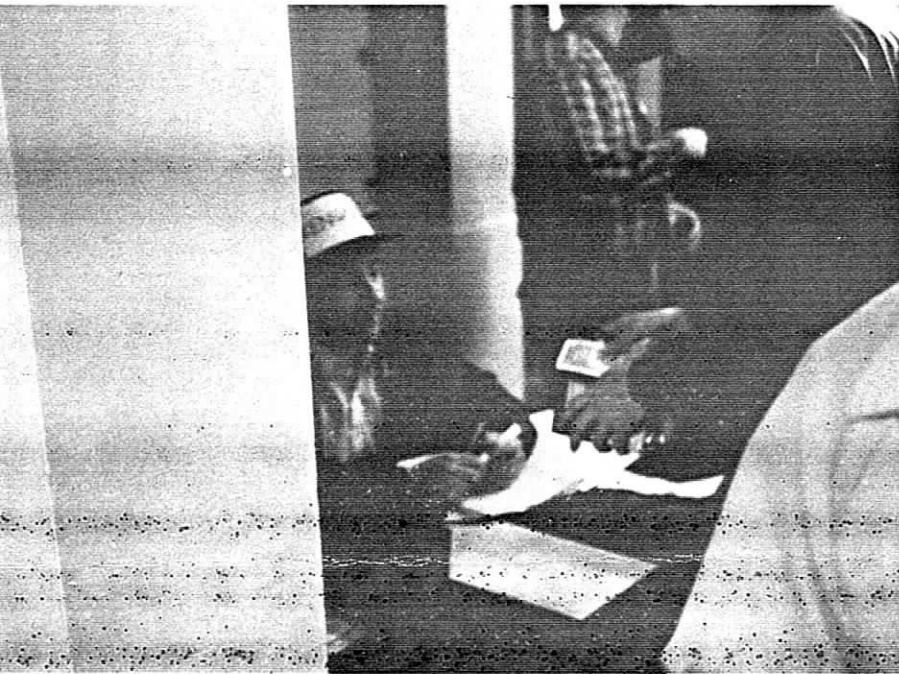

K1AZE & KA1BYP Lew and Karen had a wonderful time in Florida. Lew complained no activity on the repeaters down there. Plenty of sun rays in Key West however.

W1FLH WA1HIA Karen and Macile had a wonderful anniversary together. They spent it doing the Marathon that's the Boston M.

COMMENTS FROM LEW

Once again it was a great success. I extend my appreciation to all who helped out, and there were many. We had an excellent turnout, over 600 paid attendance. There were 95 tables sold-a sellout on tables. The club table made \$111.00 The exam session also went very well. There were over 40 people taking exams. Our next Flea Market is scheduled on Oct. 25. Plans are already being made for that one.

## Hams to Help Celebrate Bicentennial of US Constitution

In the coming months, you'll be seeing a lot of this official logo of the Commission on the Bicentennial of the United States Constitution. That's because amateurs will be very involved with helping our country celebrate the 200th birthday of the US Constitution. That celebration begins on May 25, when NN3SI and W3DOS (Smithsonian Institution and Department of State ARC stations) in Washington, DC and K3MTK in Philadelphia go on the air to commemorate the convening of the Constitutional Convention at Independence Hall in Philadelphia in 1787. ^

Starting at 1500Z May 25, in the lower third of the 20/40/75 meter General band Identify yourself as a "Constitution station."
